

Summary notes by Heidi for the message...

The God or a god- Sis. Anne (10.11.13am)

We serve the God. The relief and comfort that the word of God brings to the soul- if you are serving the God, all will be ok. The God of comfort, life, forgiveness, long suffering.

Gen. 1:1

A living monument, what an amazing God we serve, a God of creation. If you are never sure of where to start reading in the bible, start at the beginning of the bible, where God spoke life into being.

Ps. 8, 148

1 Tim. 1:15

Of whom each one of us were, chief of sinners. Through the lives, attitudes, the way they help people, their testimony, should be evidence within the lives of Christians. To be praise God freely, you must be able to trust him.

2 Chron. 29:28-32

Do we come in with a free heart each week to offer sacrifices of praise? Evidence of the God- for all to see and hear for all to partake of. Our lives should show courage, sacrifice of personal ease if we have the God within.

Be an encouragement to those within the congregation- chapel service is coming up, so let us encourage them as they state the gospel. These things that you learn as a child you will come back to as an adult.

THE GOD EVIDENCE

* Creation- Gen. 1- the work of his hands

* Thankful- 2 Chron. 29:31- we should be overwhelmed with gratitude and thankfulness. vs. 35- God set it all in order, straight away you can have comfort and hope, despite what is going on around you.

* Immediate- Rom 12:1-2- Rest in our God in those things and put to work the things that he has helped us with. God can change things immediately.

2 Chron. 30:1-9

A god EVIDENCE

* Destruction- If you sacrifice things in your life to a god, it will bring destruction to your life- 2 Chron. 28:19-24.

* Desolation- 2 Chron. 30:7

* Stiffnecked- don't be stubborn in your heart.

Which side are you falling on? Are you full of grace, mercy, compassion, given only by God? God will make that right within each one of us.

2 Chron. 30:12

We need to be dependent upon the God- we can't come from a different bloodline. The evidence is the singleness of mind.

1 Pet. 3:8

Phil. 2:1-2, 1:27

2 Chron. 32:1-8

God is the one that fights the battles for us. He changes the thoughts and the minds of each one of us. King Hezekiah encouraged those not to trust the arm of the flesh, just trust their king- be encouraged for us also to rest in the Lord.

Is. 36:1-14

Is. 37:1-8

He went into the house of the Lord when distress came upon him.

2 Chron. 32:7-8

We can't be strong or courageous unless we have God. We need God in everything. The Lord will fight our battles- trust and rest in the Lord in the midst of trials. God will deliver you, he will help you through.

vs. 20

They trusted in the Lord, willing to do all that God asked of them.

Think about the evidence of God within. This should be a life changing thing and evident to those around you. Let us all be mindful one of the one heart and one mind.
